

Japan Nanotech 2012

AGY Consulting (<http://www.agyconsulting.com/>) is organizing a science and trade mission to Japan in collaboration with ICS Convention Design, from February 13th to 17th 2011. This event will be structured around the **Nanotech 2012** trade show and exhibition (<http://www.nanotechexpo.jp/en/>) which is the largest nanotech exposition in the world with more than 46,500 visitors in 2011. (see attached document)

Don't miss this occasion to:

- Increase your sales and promote your products, solutions and technologies;
- Make business partnerships with targeted buyers;
- Advance technology transfer and attract investment;
- Find research collaborators;
- Stay informed about the latest nanotechnology development;

Japan is one of the leading nanotech markets in Asia and provides an open door to other Asian countries such as China and Korea.

Program

The preliminary 5-day program includes:

- Participation in Nanotech 2012
- Individual or group meetings with international partners (certain conditions will apply)
- Participation in major international networking events
- Opportunity to visit research centres and companies
- Opportunity to participate in other exhibitions, seminars or conferences such as Nanobioexpo 2012, METEC 12, InterAqua 2012, ASTEC 2012, Neo functional material 2012
- Discount price on hotel rooms (quantity limited)
- Discount price on booths at the trade show site (quantity limited)

Moreover, other services will be offered to you during this event:

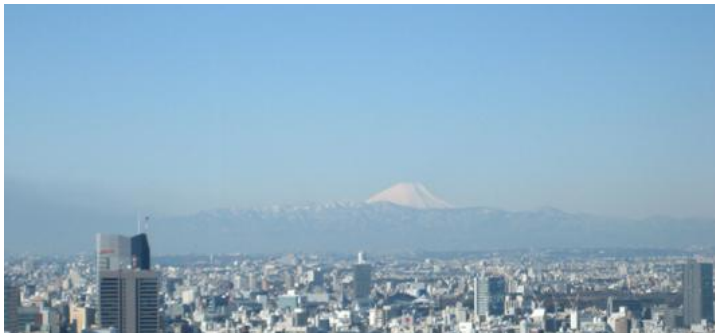

- Personalized meetings with Japanese partners (certain conditions will apply)
- Logistical services (hotel, ground transportation, etc.)

In addition, a common booth for all participants will be at your disposal during the **Nanotech 2012** exhibition.

The registration and organization fees for this mission are **\$2,250** for companies or research centres and **\$1,000** for university researchers.*

Places, promotions are limited. In order to increase your chances of effective international networking, we encourage you to complete the attached form and pay the registration fee as soon as possible.

* Taxes are not included in the fees. Please note that an extra charge of \$750 per person shall apply for additional participant from the same company or research centre.
